
2011 RATES

Use these rate tables to compare rates
for the Signature plans you're interested in.

Rates are effective January 1, 2011, and are subject to change.

IMPORTANT INFORMATION ABOUT OUR RATES

What determines your rate

Your rate is based on the following:

- the plan (or plans) you select
- the subscriber's age on January 1, 2011
- the subscriber's gender
- how many family members are covered

If you change plans, your monthly rate may change. If you move into a new age band in 2011, your rate won't change until 2012. Rates include the monthly premium for Delta Dental of Ohio, which is not optional.

Who is the subscriber?

In a plan with family coverage, you may choose which spouse will be the subscriber. Sometimes you may get a lower rate by listing the other spouse as the subscriber. You may switch subscribers later if you like. Simply send a letter signed and dated by the subscriber requesting the change to Kaiser Permanente Membership Accounting, P.O. Box 203008, Denver, CO 80220-9008.

Finding your rate

After you've determined which plans you are interested in, you can use this chart to easily compare the rates.

- Find your desired plan(s) in the charts.
- Next, look in the left-hand column to find the subscriber's age on January 1, 2011.
- You will find your rate in the box where the column and the row intersect.

Try different combinations

Each child age 18 and under must be enrolled as a dependent on a parent's plan. However, family members do not all have to enroll in the same plan. This allows you to select different levels of coverage for different family members, depending on their needs.

If you are a 19-year-old who would like to apply as a single subscriber, your rate will be determined based on your age on January 1. If you were 18 on January 1, you will find your rate in the age 18 rate band.

Medicare-eligible subscribers

Our Kaiser Permanente for Individuals and Families plans are not available for new members age 65 and over who are eligible for Medicare. If you are 65+ years of age and Medicare eligible or are under age 65 and entitled to Medicare on the basis of Social Security disability, you may be eligible for lower rates under Kaiser Permanente Medicare Plus. Please call **1-877-408-3495** or **1-888-758-6054** (TTY for hearing or speech impaired) for more information.
