Note: Deductible expenses incurred for services by a network provider will only apply to the network deductible. Deductible expenses incurred for services by a non-network provider will only apply to the non-network deductible.

Coinsurance expenses incurred for services by a PPO network provider will only apply to the PPO network coinsurance out-of-pocket. Coinsurance expenses incurred for services by a NON-PPO network provider will only apply to the Non-PPO network coinsurance out-of-pocket.

Benefits will be determined based on Medical Mutual's medical and administrative policies and procedures.

This document is only a partial listing of benefits. This is not a contract of insurance. No person other than an officer of Medical Mutual may agree, orally or in writing, to change the benefits listed here. The contract or certificate will contain the complete listing of covered services.

In certain instances, Medical Mutual's payment may not equal the percentage listed above. However, the covered person's coinsurance will always be based on the lesser of the provider's billed charges or Medical Mutual's negotiated rate with the provider.

-
- ¹ Coinsurance does not apply to out-of-pocket maximum. These services will not be covered at 100% once out of pocket maximum is met.
- ² The proposed course of treatment for organ/tissue transplants must be pre-determined and approved by a Medical Mutual case manager (except for corneal transplants). Failure to contact Care Management prior to the proposed course of treatment (including the evaluation) will result in a \$5,000 penalty. There will be a \$10,000 non-network penalty for failure to use a SuperMed facility or a Non Designated Organ Transplant Network provider. This penalty may be waived by the Case Manager if the proper pre-determination procedures are followed.
- ³ A separate Value Vision discount program highlight sheet is available. If SuperMed Vision is purchased, Value Vision will be removed from the base benefit.
- ⁴ The prescription drug benefit period deductible includes deductibles paid for both retail and home delivery drugs.
- ⁵ The benefit period maximum is combined for both retail and mail order drugs.
- ⁶ Drug benefit contains the following:
- Rx Selections® Drug List: A list of drugs on the Rx Selections® formulary will be used
 - Generic Incentive: If the member or physician requests a brand-name drug, and a generic equivalent exists, the member pays the generic co-payment PLUS the difference between the cost of the generic drug and the brand-name drug
 - Home Delivery Incentive: When a member chooses to fill a prescription a fourth time at a retail pharmacy within 180 days, the member will pay twice the normal retail co-payment
